## Oakland Campus-Spring Term 2164 Final Exam Schedule Information

The final examination period for daytime undergraduate students for the Spring Term begins on Monday, April 25, 2016 and ends on Saturday, April 30, 2016. Undergraduate students taking courses in the School of Arts and Sciences, the College of Business Administration, and the Schools of Education, Engineering, Health and Rehabilitation Sciences, Information Sciences, and Social Work follow the examination schedule. Day classes with a course number below 2000 will meet for their last regular session the week of April 18, 2015.

There are two types of examination periods: departmental and hourly. Departmental examinations do not depend on the hour or the day the particular class meets and are used primarily for large classes or multiple sections giving a common examination. Courses not identified in the departmental examination schedule should follow the hourly examination schedule, which is determined by the day(s) and time the class is scheduled during the term. For example, if your class meets on Tuesday and Thursday at 10 a.m., which is not covered by a departmental examination, your final examination for this class will be Thursday, April 28, 2016 from 2:00 p.m. - 3:50 p.m.

With regard to hourly examinations, if your class starts on the half hour, you are to follow the hourly schedule preceding this time. For example, if your class meets on Tuesday and Thursday at 9:30 a.m., follow the Tuesday, 9 a.m. hourly examination schedule. This schedule shows your final examination will be given on Monday, April 25, 2016 from 8:00 a.m. - 9:50 a.m. If your class meets for a period longer than one hour, you are to follow the hourly schedule corresponding to the class starting time. For example, if your class meets on Monday and Wednesday from 9:00 a.m. to 10:50 a.m., follow the Monday 9:00 a.m. hourly examination schedule. This schedule shows your final examination will be given on Wednesday, April 27, 2016 from 8:00 a.m. - 9:50 a.m.

Courses that meet only on Wednesday, Thursday, or Friday are not specifically covered in the examination schedule. Final examinations for these classes are given at the Monday or Tuesday class period parallel to the normal class time as covered in the hourly examination schedule. For example, if a class meets Thursdays only at 2:00 p.m., the Tuesday schedule at 2:00 p.m. should be checked.

### **The following general rules apply to final examinations:**

Final examinations are to be given during the final examination period only. In-class examinations are held at the assigned times unless written approval to change an examination is obtained from the dean of the academic center in which the course is offered. ***Faculty and students with questions regarding the scheduling of examinations should contact the appropriate dean.***

Classes with a course number 2000 and above are not subject to the examination schedule and should have final examinations by the last day of the term.

**NOTE:** In most cases, hourly final examinations are scheduled in the same room in which the class was held during the term, if the room is available. Departmental examinations are usually scheduled in a different room. Approximately seven weeks into the term, students may view their final exam schedule in PeopleSoft: Menu > Self Service > Enrollment > View My Exam Schedule.

**NOTE:** College of General Studies classes, Saturday College classes, graduate classes, and evening classes (starting at 6 p.m. or later) are not subject to the final examination schedule and should continue to meet during this period; final examinations should be held during the last scheduled class meeting.
