

Rescindment of Request to Restrict Disclosure of Directory Information

The Family Educational Rights and Privacy Act of 1974 (FERPA) allows the University to disclose, without consent, directory information unless a specific request has been made by the student to restrict the disclosure of this information.

By completing this form and signing below, you are rescinding a previously submitted request for the University of Pittsburgh to restrict disclosure of Directory Information in your education records. Once this form is submitted, the University will once again be permitted to disclose directory information from your student record without your prior consent. This permission will remain in effect until a new request has been submitted.

- E-mail Address
- Dates of Attendance
- Enrollment Status
- Level and Classification
- Field(s) of Study
- Degree Candidacy and/or Expected Graduation Date

- Thesis and Dissertation Titles
- Previous Institution(s) Attended
- Image or Likeness
- Past and Present Participation in Officially Recognized University Activities
- Date of Birth (See Associated [Procedure AC-04](#) Section III. G.)

I hereby request to rescind my previously requested restriction of directory information disclosures from my education record. I understand that the University may disclose directory information from my education record without my consent. I understand that I may restrict these disclosures by completing a [new restriction request form](#) and submitting it to the Office of the University Registrar.
