FINAL EXAM SCHEDULES AND INFORMATION

Pittsburgh Campus – Fall Term 2026 Final Exam Schedule Information

The final exam period for daytime undergraduate classes for the Fall Term 2026 begins on Monday, December 7, 2026, and ends on Friday, December 11, 2026. All undergraduate courses follow the exam schedule outlined below. Graduate, College of General Studies, Saturday and evening classes (starting at 6 p.m. or later) will have final exams during the last scheduled meeting the week of finals.

There are two types of exams: departmental and hourly. Departmental exams are used primarily for large classes or multiple sections giving a common exam. All departmental exams are scheduled in the 8 AM time block Monday through Friday shown in the grid below. Courses not identified in the departmental exam schedule should follow the hourly exam schedule, which is determined by the day(s) and time the class is scheduled during the term.

Hourly exams are based on the regular meeting time of the class. A class starting at or within the hour uses the hourly exam block associated with that time, based on the day and hour of its first weekly meeting. For example, a class meeting Tuesday and Thursday at 9:00 or 9:30 a.m. uses the same exam time as any other class whose first weekly meeting is Tuesday at 9:00 a.m. A class that meets only on Thursday at 9:00 am will be scheduled separately. Please note that the final exam may be scheduled in a different room than the class was held. The final exam grid is shown below.
