At the top of the screen, open the **Main Menu** drop down and use the search box to find “**Student Center**”.

On the results page, select the “**Student Center**” option.
In the PeopleSoft Student center, select “Grades” from the drop down in the Academics section and tap the (>>) button.

This will take you to the View My Grades Page. Any grades that are posted for the current term will show on this screen. You can switch between Mid-term and Final grades by choosing the appropriate tab under the displayed term. To view grades for a past term, Tap the “Change Term” button.
